

The Drug Information Resources Website: Providing Guideposts for Information Retrieval

Dr. Mary MacCara
College of Pharmacy
Dalhousie University
June 5, 2009.

CPhA: Pharmacist Prescribing

- “As the most accessible health care professional, pharmacists are well positioned to be the primary provider of drug-related information and care to the Canadian public.”

AFPC Educational Outcomes

- Baccalaureate

Outcome #3: Provide Drug and Drug Use information and Recommendations

Outcome #4: Educate about Drugs, Drug Use and Health Promotion

- Entry-Level Pharm D

Specific Outcome #3: Provide Drug Information, Educate about Drugs and Promote Health

- What are we doing to help our students become the primary provider of drug-related information?
