Professor  
**Christina Chai**  
Head of Department

**NUS**, the premier university in Asia and the world and the only Pharmacy education provider in Singapore, is embarking on a strategic renewal to boost research and collaboration in **Clinical Pharmacy & Pharmacy Practice**.

We are looking for **TALENTED YOUNG ACADEMICS** to join us as **Assistant Professors in the Tenure or Practice track**. Candidates must possess either a PhD or PharmD degree, and ideally be eligible for registration with the Singapore Pharmacy Council.

### Tenure Track

- ✓ outstanding potential as a researcher in the areas of Care of the Ageing, Pharmacoeconomics and Precision Medicine, **and**
- ✓ to build on existing collaborations with established NUS world-leading researchers in these areas

### Practice Track

- ✓ outstanding potential for leadership and excellence in practice

Join our webinar to hear our recruitment process, **competitive salary and start-up package, as well as additional opportunities**. This is an exceptional opportunity to join a vibrant research and teaching community of one of the best universities in Asia and beyond!
